

Whitefish Rifle and Pistol Club News Letter

August 2014

P.O. Box 3542, Kalispell, MT 59903

www.whitefishriflepistol.net

Next meeting will be September 3, 2014 at Flathead County Fairgrounds
7:00pm

It has been a good year and we have gotten a lot accomplished.

Range Improvements: Then last baffle was installed on the range and we also installed the gong again on the 200yd line. I want to thank all the people who showed up to help during the spring cleanup with these projects. Also thanks to whoever buried the tires at the gate, thank you it was a good idea.

Women on Target Event: At our May meeting we heard from Paul Tribble from Eureka, and were asked if we would help put on Women on Target event in July. The club members enthusiastically endorsed this and it was held on July 19th. We would like to thank all the instructors who participated. Everyone had a good time and it sounded like it would be something we should do again next year. We had limited the students to 30 and we got 29 women to come out, not bad for a first try.

Hunters Sighting: Just a reminder that Hunters Sighting dates are October 4-5 2014, and again on October 18-19 2014. Price will be \$5.00 per gun and the times will be from 9:00am to 4:00pm each day. Please come to the next meeting in September if you can help. We will also be calling on everyone who has stated on their membership application they were interested in helping with it. John Eder is in charge again this year.

Logging Around Range: Also everyone remember the logging will be starting up again this fall around the range. Keep an eye out for trucks and equipment on the road this fall and winter.

Painting of Rifle Range Building: The building for the rifle range is being painted this Saturday. The pistol range will be open but the Rifle Range will be closed on August 23rd to allow this to be done safely.

President Whitefish Rifle & Pistol Club
Gavin Corrigan
