

Whitefish Rifle and Pistol Club News Letter

March 2014

P.O. Box 3542, Kalispell, MT 59903

www.whitefishriflepistol.net

Next meeting will be May 7, 2014 at Flathead County Fairgrounds 7:00pm

Annual Meeting of Whitefish Rifle & Pistol Club was held on March 5, 2014.

Timber Sale and Road work on the Rifle Range road. Stoltze Lumber bought the Spencer South timber sale. Roads have been cleared and logging is taking place. Watch out for trucks and equipment on the road. As of this newsletter we are expecting that the logging will be ending within a couple of weeks due to spring breakup. It will resume again next fall or winter.

Club Memberships are due for the year 2014

This is your reminder that memberships expire for all members on March 1, 2014, and the gate lock will be changed. Please note when renewing we are going to want your old keys back. Please put them in the collection boxes located on the range. There are two white tube type containers one on the pistol range and one on the rifle range.

If you join the club now and have been a member for the last two years and have not taken an orientation you will be required to take an orientation class before getting a key this year.

Range orientations are held every month on the first Wednesday of the month at 6:30pm before the regular meetings (March, May, July, Sept, Nov, & Jan). On the months we don't have meetings the orientations are at 7:00pm. All meetings/orientations are at the Flathead County Fairgrounds 4H building, in Kalispell unless noted otherwise. Please use the online application found at our website on the membership page. If you need a paper application please contact Stan at 406-314-8149

Range Improvements we want to accomplish this year. First is to install the last baffle on the 300yd range. The other is to install a metal gong type target in the 200yd berm. And some tree cutting. We are planning on doing these things during our spring cleanup which will held on May 3, 2014 from 8:00am until we are done.

We are in the need of a backhoe or a bobcat which would be used for putting in the gong. Also need a something to lift the baffle into place with. If you have something we can use please contact me at 406-212-7830 or on the website

Hunters Sighting dates were set for October 4-5 2014, and again on October 18-19 2014. Price will be \$5.00 per gun and the times will be from 9:00am to 4:00pm each day. John Eder has volunteered to run the hunters sighting this year.

Range Committees were talked about to help the club move forward. The board would like to see some committee's setup to help with the following; Fund Raising, Range Maintenance, and Range Improvements. If you are interested in helping or just have ideas please contact us.

Elections of officers were held and your officers for 2014 are.

President;	Gavin Corrigan
Vice President;	Justin Beauregard
Treasurer;	William (Bill) Etter
Secretary;	Stan Rube
Executive Officer;	Jared Smith
Instructor;	David Speer
